

Our Doctors

Kathryn Dobyms received her DVM degree from the Cornell University College of Veterinary Medicine in 1995. She has worked in small animal general practice since graduation and purchased Middle River Veterinary Hospital in August 2000.

Dr. Dobyms enjoys canine and feline behavior and geriatric medicine.

In 2018, she completed the Certified Canine Fitness Trainer course through FitPaws and the University of Tennessee. She enjoys working as a “personal trainer” for pet dogs and canine athletes.

Vicky Dye earned her DVM degree from the Virginia-Maryland Regional College of Veterinary Medicine in 1994. She started her career as an emergency veterinarian and then worked as a relief veterinarian for several years. She joined the Middle River team as a part-time Associate Doctor in January 2016.

Dr. Vicky enjoys feline medicine and dental care.

Payment Policy

To enable us to provide the best possible care for your companion pets, all fees are due at the time services are rendered. We accept cash, personal checks, Visa, Mastercard, American Express and Discover cards. We also offer Care Credit. If your pet needs extended hospital care, a deposit will be required at the time of admission to the hospital.

Mission Statement

The Middle River Veterinary Hospital team strives to provide high quality health care for companion pets in a compassionate and nurturing environment. We seek to educate owners about their pets' health care needs and to strengthen the bonds between pets and their owners. We promise to always treat our clients and patients as treasured members of the veterinary health-care team.

Appointments

For more efficient service, we request that you schedule an appointment for all visits. We also offer a convenient drop-off service for clients who find it difficult to schedule an appointment.

Professional Services

Middle River Veterinary Hospital provides complete health care for your companion pets.

- Comprehensive physical examination
- Wellness care
